Shoal Creek golf course opened in the fall of 2001 and has become one of the most talked about daily fee and banquet facilities in the Kansas City area. This 6,950 yard par 71 course features extraordinarily-designed holes, breathtaking elevation changes, and expansive landing areas that meander through some of the most picturesque terrain in the Northland. The editor of the "Tee Times Golf Guide" suggests that Shoal Creek is perhaps "the Greatest Course in Kansas City" and was voted the #2 course in Missouri!

Shoal Creek offers Global Positioning System (GPS) which gives golfers the exact yardage to the flagstick, as well as the contour of the green. Begin your round by warming up on the spacious driving range, which includes a 12,000 sq. ft. zoysia grass tee. Shoal Creek is dedicated to being the best golf facility in its class and offers outstanding service and a friendly atmosphere!
